**NEW MODELS!**

**LANIKAI LEGACY COLLECTION – SOLID TOP, SLIM-LINE BODY - Tenor & Concert from \$469.00 RRP**

Lanikai's new Legacy Collection represents a fresh take on classic ukulele designs made to meet the needs of the professional modern player. With meticulous attention to detail, playability, and unique features Legacy Collection instruments strive to take the ukulele to new heights by giving player's the tools they need to find and expand their sound. Features; Slim-line body, solid Spruce top and Tuna Uke adjustable nut and bridge system.

## **The Evolution of Intonation**

For the first time ever in the history of the instrument you can overcome all the obstacles and have a ukulele that plays open chords in tune all the way up the neck. TunaUke Technology will first be available in our best-selling LU Series! All mahogany construction, Rosewood fingerboard and geared tuners with black buttons. Our favourite ukes sound better than ever! Available in Soprano, Pineapple, Concert, Tenor, and Baritone sizes! RRP from \$129.00 <http://lanikaiukuleles.com/tunauke-equipped/>

## UKE GIG BAGS

Carry your ukulele in style with Lanikai's reinforced gig bag. Keep your ukulele safe and stylish at the same time. Padding and rigid side walls help keep your uke protected. It comes with one shoulder strap. Available in two patterns: tribal and floral. Available in all four ukulele sizes.

**RRP from 35.95**

## KOHALA – TIKI models

**Priced from RRP \$89.00 in various colours.**
